# Alumnae Involvement

Phi Sigma Sigma has alumnae chapters and clubs throughout North America. Alumnae groups offer Phi Sigma Sigma members the opportunity to continue their lifelong membership in an active chapter after graduating from college.

Alumnae chapters and clubs sponsor philanthropic efforts, support area collegiate chapters, participate in the local alumnae Panhellenic association, and are a wonderful social outlet. Any Phi Sigma Sigma alumna in good standing may join an alumnae chapter.

## The Ongoing Rewards of Membership

While your promise to Phi Sigma Sigma is everlasting, your needs, as well as level of commitment to sorority may fluctuate at different stages of life. Phi Sigma Sigmas are empowered to **aspire, act** and **achieve** by motivating others as they commit to serve family, sorority, community and mankind.

## What does being an active alumna member mean?

You might be wondering is being an active alumna chapter member like being in “chapter”? We would say, it’s much different. Our alumnae chapter meets approximately every three months, with no formal meetings. As an alumnae member, your twenty dollar annual dues payment support the philanthropic and social activities during the year. The Alumnae Chapter encourages it’s membership to bring in new sisters and mingle at events; all events are casual and open.
